Pool Access Options

A-frame Ladder

- Height adjustable legs ensure a level entry into the pool
- Removable entry stairs stop unauthorised access to your pool
- Extra high handles provide comfortable and stable access
- Strong structural construction supports users up to 120kg

Skimmer Pool Ladder

The perfect choice for swimming pools with skimmers. These ladders offer rigid stability and are a stylish design for both commercial and residential pools.

Dimensions		
SKIMMER TYPE	A	B
LDSK003316 3-Steps	1556mm	664mm
LDSK004316 4-Steps	1860mm	664mm

In-deck Ladder

- Extra high, extra strong climb rails allow stable hand placement and more support
- Adjusts to virtually any pool or deck height
- High density, structural plastic supports users up to 110kg

Overflow Ladder

Designed for overflow pools. The longer reach rail extends beyond the overflow channel.

Dimensions		
OVERFLOW	A	B
LDOF003 3-Steps	1556mm	957mm
LDOF004 4-Steps	1860mm	957mm
